- Sound enhancement: wOOx™ Technology

Power
- Battery type: lithium (built-in)
- Operating time on battery: 5 hr

Accessories
- A cable for: 3.5mm line-in and USB charging
- Warranty certificate
- World Wide Warranty leaflet

Highlights

wOOx technology

wOOx technology is a revolutionary loudspeaker concept that allows you to hear and feel profoundly deep bass that is richer than any other audio system. Special speaker drivers work in harmony with the wOOx bass radiator, and precise tuning between the main driver and the tweeter ensures smooth transitions from low-mid to high frequencies. Dual suspension and a totally symmetrical sandwich construction deliver low and precise base without noticeable distortion. wOOx produces exceptionally deep and dynamic bass by using the speaker box full volume to truly magnify the impact of the music.
